Tell me how you feel
and if i'm gettin near
I'll tell you where to steer
you'll tell me where to steer

Da-Da-Da-Darling
Way above the clouds
And high above the stars
Through the unknown black holes
No one knows where we are
But we'll return to Earth and do it all over again

(Chorus)
I know that after tonight
You don't have to look up at the stars No, No, No, No
I know by the end of tonight
You don't have to look up at the stars
I know that if the love is alright
You won't have to look up at the stars No, No, No, No
I know by the end of tonight
You don't have to look up at the stars

F Em Am
Come away with me
F Em Am
Come fly away with me

Just for a night
No one will ever know
No, No, No, No

Darling
I will leave you satisfied
Forever past time
You don't have to hide your free to fly

(Chorus)
I know that after tonight
You don't have to look up at the stars No, No, No, No
I know by the end of tonight
You don't have to look up at the stars
I know that if the love is alright
