Artist: Kasabian
Song: Underdog Acoustic

Kasabian - Underdog
West Ryder Pauper Lunatic Asylum
2009

I've based this on the same youtube clip as version 1 which sounds wrong. The Bbm from verse 2 onwards sounds a bit iffy but Serge's fingering seems to fit a Bbm in the video though my ears are telling me different? Let me know if it sounds alright or not, this version also differs slightly from the album version. Here's the youtube vid again:
